

Marshall County

Communities That Care Student Survey 2010

For more information please contact the [Regional Prevention Center](#)

- 48.07% of students say it is very easy or sort of easy to get alcohol
- At a party 27.59% of students say they would drink an alcoholic beverage if it was offered to them
- 52.2% of students say they have used alcohol at least once in their life

Age of Onset

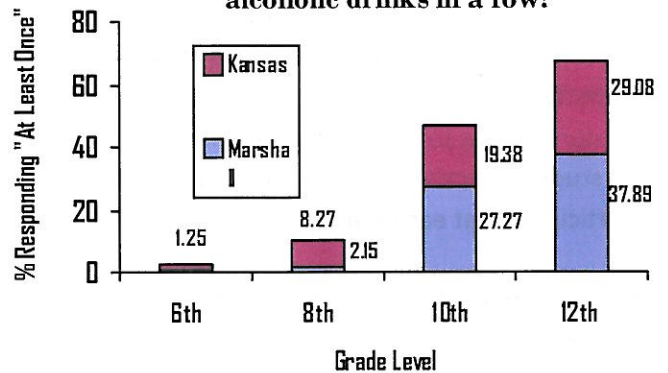

First smoked tobacco 13.57 years

First sip of alcohol 13.24 years

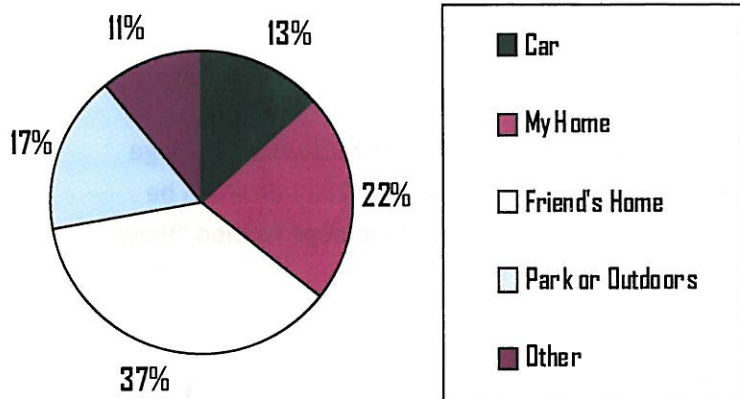

Regular drinking (at least once or twice a month) 14.79 years

First Smoked Marijuana 14.7 years

Think back over the last two weeks. How many times have you had five or more alcoholic drinks in a row?

During the past 30 days, when you drank beer, wine or hard liquor where did you drink it?

During the past 30 days, how did you usually get beer, wine or hard liquor?
